Introducing the National Human Trafficking Training and Technical Assistance Center – January 18, 2017

What better way to kick off Human Trafficking Awareness Month than to introduce a new training and technical assistance center designed to address human trafficking throughout the nation? On behalf of the Office on Trafficking in Persons, U.S. Department of Health and Human Services, we are pleased to announce the launch of the National Human Trafficking Training and Technical Assistance Center (NHTTAC). NHTTAC offers a variety of resources to help build your capacity to serve survivors of trafficking and those at risk of trafficking.

Learn more about NHTTAC’s approach to addressing human trafficking.

NHTTAC offers a variety of services to professionals who wish to build their capacity to serve survivors of human trafficking or those at risk of trafficking. Learn more about this and NHTTAC by visiting the HHS Family Room Blog.

SOAR to Health and Wellness Training

Does your agency need help identifying or serving human trafficking survivors? Receive more information on how to access this free training—online or in person.
**Customized Training and Technical Assistance**

Build your agency’s capacity to support survivors of human trafficking. Access subject matter experts for your training or conference needs. [Learn more](#), or contact NHTTAC directly.

---
