**STATEMENT OF NONDISCRIMINATION**

The District prohibits discrimination, including harassment, against any student on the basis of race, color, religion, gender, sexual orientation, national origin, disability, or any other basis prohibited by law. The District prohibits dating violence, as defined by this policy. Retaliation against anyone involved in the complaint process is a violation of District policy.

**DISCRIMINATION**

Discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender, sexual orientation, national origin, disability, or on any other basis prohibited by law, that adversely affects the student.

**PROHIBITED HARASSMENT**

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, gender, sexual orientation, national origin, disability, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or

3. Otherwise adversely affects the student’s educational opportunities.

Prohibited harassment includes dating violence as defined by this policy.

**EXAMPLES**

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes, name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

**SEXUAL HARASSMENT BY AN EMPLOYEE**

Sexual harassment of a student by a District employee includes both welcome and unwelcome sexual advances; requests for sex-
ual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

1. A District employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or

2. The conduct is so severe, persistent, or pervasive that it:
   a. Affects the student's ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student's educational opportunities; or
   b. Creates an intimidating, threatening, hostile, or abusive educational environment.

Romantic or inappropriate social relationships between students and District employees are prohibited. Any sexual relationship between a student and a District employee is always prohibited, even if consensual. [See DF]

BY OTHERS

Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

1. Affects a student's ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student's academic performance; or

3. Otherwise adversely affects the student's educational opportunities.

EXAMPLES

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

Necessary or permissible physical contact such as assisting a child by taking the child's hand, comforting a child with a hug, or other physical contact not reasonably construed as sexual in nature is not sexual harassment.
DATING VIOLENCE

Dating violence occurs when one partner in a dating relationship, either past or current, intentionally uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner.

EXAMPLES

Examples of patterns of behavior intended to hurt or control a partner in a dating relationship include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student’s family members or members of the student’s household, destroying property belonging to the student, threats to commit suicide or homicide if the victim ends the relationship, attempts to isolate the student from friends and family, extreme jealousy and possessive behavior, stalking, or having others to engage in these behaviors.

For purposes of this policy, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:

1. Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;

2. Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or

3. Otherwise adversely affects the student’s educational opportunities.

RETLATION

The District prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a District investigation regarding discrimination or harassment, including dating violence, is subject to appropriate discipline.

EXAMPLES

Examples of retaliation include threats, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances, such as negative comments that are justified by a student’s performance in the classroom.

DEFINITION OF ‘BULLYING’

As defined in Education Code 25.0342, the term “bullying” shall mean engaging in written or verbal expression or physical conduct that the Board or designee determines:

1. Will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of
harm to the student’s person or of damage to the student’s property; or

2. Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

[See FDB(LEGAL) for transfers for victims of bullying]

CYBERBULLYING

The term “cyberbullying” shall mean using the Internet, interactive and digital technologies, cell phones, or any other electronic devices to engage in written or verbal expression or physical conduct that the Board or designee determines:

1. Will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm to the student’s person or of damage to the student’s property; or

2. Is sufficiently severe, persistent, or pervasive that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.

PROHIBITED CONDUCT

In this policy, the term “prohibited conduct” includes discrimination, harassment, dating violence, and retaliation as defined by this policy, even if the behavior does not rise to the level of unlawful conduct.

REPORTING PROCEDURES

Any student who believes that he or she has experienced prohibited conduct or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, counselor, principal, or other District employee.

Alternatively, a student may report prohibited conduct directly to one of the District officials below.

DEFINITION OF DISTRICT OFFICIALS

For the purposes of this policy, District officials are the Title IX coordinator, the ADA/Section 504 coordinator, and the Superintendent.

TITLE IX COORDINATOR

Reports of discrimination based on sex, including sexual harassment, may be directed to the Title IX coordinator. The District designates the following person to coordinate its efforts to comply with Title IX of the Education Amendments of 1972, as amended:

Name: Mel Waxler
Position: General Counsel
Address: 1111 W. 6th Street, Austin, TX 78703
Telephone: (512) 414-6425
Reports of discrimination based on disability may be directed to the ADA/Section 504 coordinator. The District designates the following person to coordinate its efforts to comply with Title II of the Americans with Disabilities Act of 1990, as amended, which incorporates and expands upon the requirements of Section 504 of the Rehabilitation Act of 1973, as amended:

Name: Ann LaQuey
Position: Administrative Supervisor
Address: 906 W. Milton, Room 202, Austin, TX 78704
Telephone: (512) 414-6674

The Superintendent shall serve as coordinator for purposes of District compliance with all other antidiscrimination laws.

A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports concerning prohibited conduct, including reports against the Title IX coordinator or ADA/Section 504 coordinator, may be directed to the Superintendent.

A report against the Superintendent may be made directly to the Board. If a report is made directly to the Board, the Board shall appoint an appropriate person to conduct an investigation.

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair the District’s ability to investigate and address the prohibited conduct.

Any District employee who receives notice that a student has or may have experienced prohibited conduct shall immediately notify the appropriate District official listed above and take any other steps required by this policy.

The District official or designee shall promptly notify the parents of any student alleged to have experienced prohibited conduct by a District employee or another adult associated with the District.

The District may request, but shall not insist upon, a written report. If a report is made orally, the District official shall reduce the report to written form.

Upon receipt or notice of a report, the District official shall determine whether the allegations, if proven, would constitute prohibited conduct as defined by this policy. If so, the District official shall immediately authorize or undertake an investigation, regardless of
whether a criminal or regulatory investigation regarding the same or similar allegations is pending.

If appropriate, the District shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

The investigation may be conducted by the District official or a designee, such as the campus principal, or by a third party designated by the District, such as an attorney. When appropriate, the campus principal shall be involved in or informed of the investigation.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

CONCLUDING THE INVESTIGATION

Absent extenuating circumstances, the investigation should be completed within ten District business days from the date of the report; however, the investigator shall take additional time if necessary to complete a thorough investigation.

The investigator shall prepare a written report of the investigation. The report shall be filed with the District official overseeing the investigation.

DISTRICT ACTION

If the results of an investigation indicate that prohibited conduct occurred, the District shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct.

The District may take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

CONFIDENTIALITY

To the greatest extent possible, the District shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

APPEAL

A student who is dissatisfied with the outcome of the investigation may appeal through FNG(LOCAL), beginning at the appropriate level. A student shall be informed of his or her right to file a complaint with the United States Department of Education Office for Civil Rights.

RECORDS RETENTION

Retention of records shall be in accordance with FB(LOCAL) and CPC(LOCAL).
Information regarding this policy shall be distributed annually to District employees and included in the student handbook. Copies of the policy shall be readily available at each campus and the District’s administrative offices.

Revisions to this policy shall be effective as of the adoption date, September 27, 2010.
