**Please Join the National Coalition Against Domestic Violence (NCADV)  
and the National Network to End Domestic Violence (NNEDV)  
for our Annual Legislative & Lobby Days in Washington DC!**

NCADV is proud to be co-hosting this year's National Legislative and Lobby Days with the National Network to End Domestic Violence. Both organizations hope that you will attend to help educate Members of Congress on how Federal legislation and crucial funding supports your local programs.

This year Lobby Day activities will focus on the need for additional and continued funding for local programs. We will also be discussing the need to reauthorize the Violence Against Women Act (VAWA). We need you to tell your story about how you utilize these programs to assist victims of domestic violence and their children!
