

I hope some of you can join us for SibU Sura's Launch Party on February 18th in Myersville, just 10 miles north of Frederick, Maryland.

Sibu Sura has generously offered to donate 1% of its yearly profits to Justice for Children in support of our work.

I've had the great pleasure of trying SibU Sura chocolate made with beans from Peru and can say that it is simply exquisite and far surpasses any chocolate I have ever tasted!

Thank you, SibU Sura!
