COMMUNITY-ACCOUNTABILITY MODEL OF MEN’S VIOLENCE AGAINST WOMEN

ANCHORS
- Provides historical foundation
- Denies and justifies impact

INSTRUCTS
- Constructs and disseminates “manual” on structural inequalities - e.g. sexism, heterosexism, racism, classism
- Steers and controls resources

ENFORCES
- Rewards rigid gender role conformity
- Punishes flexible and diverse gender expressions
- Provides gatekeepers

SOCIALIZES
- Nurture rigid gender role conformity
- Trains males in destructive masculinity
- Prep for war

CONTROLS
- Lives out his privileges in relationships with women
- Solidifies his authority
