2015 National Training Institute

The National Center is pleased to present The National Center for Victims of Crime 2015 National Training Institute, to be held September 9-11, 2015, at the Hyatt Regency Orange County, in Anaheim, CA. As in past years, this training will emphasize a multidisciplinary approach to sharing promising practices, current research, and effective programs and policies that are victim-centered, practice-based, and research-informed. Our National Conference is a forum for law enforcement, victim service professionals, allied practitioners, policymakers, and researchers to share current developments and build new collaborations. Conference sessions will highlight practical information to better support services for the wide range of persons victimized by crimes of all types.
