

Coming Soon: a brilliant new book!!!!

***Not For Sale:
Feminists Resisting Pornography
& Prostitution***

**Edited by
Christine Stark and Rebecca Whisnant**

This important new book continues the debate about pornography and prostitution and the harms caused to women in general, the women and men who are used in pornography and prostitution, and the efforts for racial, sexual and gender justice in general. Stark and Whisnant have compiled a series of articles from some of the most brilliant and tireless activists and researchers of our time.

Not for Sale will prove to be a crucial new book for activists, students, advocates and all people concerned about feminism and justice.
