

OVC PROVIDES HELP FOR VICTIM SERVICE PROVIDERS ON-LINE

The **Office for Victims of Crime (OVC)** has created a new [Web forum](#) (<http://ovc.ncjrs.org/ovcproviderforum/>) that links crime victim service providers and allied professionals to their colleagues from other states. OVC's Web Forum allows providers to tap into a national network of people facing the same challenges and experiences they are.

In conjunction with Domestic Violence Awareness Month, OVC will host a Web Forum discussion with Professor Sarah Buel about best practices in helping victims of domestic violence on October 27, 2004. Visit the OVC Web Forum now at <http://ovc.ncjrs.org/ovcproviderforum/host.html> to submit questions for Professor Buel and return on Oct. 27 at 2 p.m. (Eastern Time) for the discussion.

No registration is required, so joining the OVC Web Forum online community is easy. Visit now to make connections that can change the lives of the victims you serve
