

Rape Apology				
B	I	N	G	O
It wouldn't have happened if you weren't in a bar.	You weren't wearing that short skirt, were you?	Why did you wait so long to report it?	Did you struggle? How hard?	You shouldn't have let him drive you home.
Wait, isn't he your boyfriend?	Now you've learned a very important lesson about friendship.	Don't you think he expected it?	It wouldn't have happened if you weren't drunk.	Are you sure you didn't just change your mind?
You're always such a tease.	Why did you walk down that alleyway?	Free Space	Maybe he did you a favor. Otherwise, you'd never get laid.	It was God's will.
You shouldn't go out alone at night.	You shouldn't have let him buy you dinner.	You have a bad reputation.	Are you sure you screamed loud enough?	Don't you know him?
But a baby is a gift from God.	Didn't you start it by kissing him first?	Are you sure you weren't asking for it?	You shouldn't have hung out with them.	You were leading him on.
