ONLINE DOMESTIC VIOLENCE EXAMINER TRAINING

Are you currently practicing as a Sexual Assault Examiner? Are you looking to expand your practice to patients who have experienced domestic violence?

The Tribal Forensic Healthcare Training Project will offer a FREE 24-hour online course open to registered nurses, advanced practice nurses, physicians, and physician assistants from IHS, Tribal, and Urban Indian health care facilities. Healthcare providers from other U.S facilities that serve American Indian or Alaska Native victims of domestic violence are also eligible to attend.

Attendees must have already completed a 40 Hour Sexual Assault Examiner Course.

Participants will learn the essential skills and knowledge to appropriately care for adult and adolescent patients who have experienced intimate partner violence. Topics to be covered include:

- Dynamics of Intimate Partner Violence
- Assessing and Treating the IPV Patient
- Patient-Centered Coordinated Team Approach
- Legal Issues
- Operational Issues

Three Sessions will be offered:

- May 25 - July 6, 2015
- August 17 - September 28, 2015
- November 9 - December 21, 2015
