## 10 Things You Didn't Know Military OneSource Offered

June 22, 2016

When you think of Military OneSource, you probably think of non-medical counseling services or of a place to find information about a variety of military life topics. But there's more. Military OneSource offers one-on-one support to help you navigate any challenge military life may bring your way. Take a look at how a consultant can help you:

1. Relocation services can help you create a **personalized moving plan** for your next PCS.
2. Certified financial experts can help you **balance your budget or prepare your taxes**.
3. You can get qualifying **legal documents translated** — usually within days — and also have them certified and notarized.
4. Counselors can help you **keep your career on course or pursue your dream profession**.
5. **Language interpretation** services are available by phone, 24 hours a day, 7 days a week, in more than 150 languages.
6. Wellness coaches can work with you to **set health goals**, create a plan to meet them, and root for you every step of the way.
7. Adoption consultants can show you the **financial and legal implications of adoption** along with its associated military benefits, allowances, and reimbursements.
8. Certified career counselors can walk you as a spouse through the vast resources available to put you on the **path to business ownership**.
9. Education consultants can answer your questions about **financial aid, scholarships, tutoring, and college options**.
10. Consultants can help you find **housing or care** to meet the needs of your **wounded, disabled, elderly, or special needs family member**, and guide you through your available benefits.

Whenever or however you need support or guidance, Military OneSource is there. Call **800-342-9647**, or start a live chat today at [www.militaryonesource.mil/confidential-help](http://www.militaryonesource.mil/confidential-help).
